

HRH Primary Supply List 2024-2025

Your child will need a lunch bag and a sturdy backpack that is big enough for a binder to fit in. They will also need a pair of non-marking sneakers to be left at school for the year. (Velcro is needed if your child is not yet able to tie laces). We recommend an extra set of clothes to be kept at school in a large Ziploc bag or a shoe box. Please don't forget to label all of these items with your child's name.

It is important that all of the items are as close to the list as possible and are **very generic** (eg. No Disney or TV characters). Please try to get the materials in the colours mentioned, as it makes it much easier to organize the classroom and for students to be independent with their materials. Thank you very much for your help and support!
